

## **OCTOBER 2011 CALIFORNIA GEOTECHNICAL ENGINEER**

Applicants for the **October 2011 California GEOTECHNICAL ENGINEER** license (new and refile) are NOT required to register with NCEES due to the conversion of the geotechnical engineering examination to Computer-Based Testing (CBT) format. The application and fees must be submitted to the Board office according to the appropriate [Examination Schedule](#). Approved applicants will be notified by the Board with details regarding examination date, time and location.
